I have the honor to bring to your notice that it has been usual to subscribe the notifications sent to the Compiler, *Mysore Gazette,* for publication, with the following note :—

"To the Compiler, *Mysore Gazette.*"

It would therefore be well to add the words "for publication in the Gazette" or "for information" as the case may be, as there is the liability, in the absence of a clear note as abovesaid, of notifications not intended to be published in the Gazette, but merely sent to the Compiler for information and note, being published.

Correspondence ending with letter No. 314, dated 5th December 1902, from the Superintendent, Mysore Government Press, relative to the establishment of the Government Branch Press at Mysore.

No. 13657-8—MIS. 2094, DATED BANGALORE, 12TH MARCH 1903.

ORDER THEREON.—Upon the revival of the Government Branch Press at Mysore under the authority of Government Proceedings No. 5683-5—G. F. 135-92, dated the 15th October 1902, the Superintendent of the Government Press has submitted proposals, involving a cost of Rs. 200 per mensem out of which Rs. 190 are for establishment and Rs. 10 for contingencies. In making the nominations for the establishment, the Superintendent proposes to place an official on Rs. 30 as Foreman of the Branch Press, while the former Foreman on pay Rs. 55 to rise to Rs. 60 on 1st April 1903 is recommended to be kept on as a Supernumerary in the Central Press, to be absorbed upon a suitable vacancy occurring. Government do not see the object of showing a reduction in the establishment of the Branch Press and making an increase in that of the Central Press, and are therefore pleased to direct that the Foreman on Rs. 55 rising to Rs. 60 be placed on the establishment of the Branch Press until, by his transfer to the Central Press to fill up a vacancy, on its occurrence, his place at Mysore becomes available for an official on Rs. 30.

2. The sum of Rs. 10 per mensem proposed for contingencies is reduced to Rs. 5 a month, as the contingent allowance of the Branch Press at Mysore before its abolition was only Rs. 5 under the authority of Government Proceedings No. 8781-820—Mis. F. 118-92, dated 29th January 1900.

3. The undermentioned scale of establishment and contingencies is accordingly sanctioned for the Branch Press at Mysore, with effect from the 1st November 1902 :—

		Rs.	
1	Foreman	55	rising to Rs. 60 on 1st April 1903.
1	Section-holder	25	per mensem.
1	Clerk and Reader	15	do
1	Compositor	15	do
2	Compositors on Rs. 12 each	24	do
1	Compositor	8	do
1	Do	7	do
1	Pressman	7	do

1	Turner	5	do
1	Binder	10	do

	Contingencies	5	per mensem.
	Total	220	do rising to Rs. 225 on 1st April 1903.

4. The Superintendent's action in placing the whole of the establishment of the Branch Press on a fixed scale instead of having a portion of it on the piece-work system as formerly, is approved.

5. A report as regards the working of these arrangements should be submitted at the end of six months from this date.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

To—The Superintendent, Mysore Government Press.
The Comptroller to the Government of Mysore.

No. 13911-50—P. & A. 1216, DATED BANGALORE, 18TH MARCH 1903.

ORDER.—From instances of delay occurring in the submission of pension applications, Government are led to believe that the service registers of officials are not kept properly in accordance with the provisions of the Civil Service Regulations, Part IX. The object of this record is clearly stated in Article 436, that "if the book is not carefully kept up, difficulties may arise as to verification of service, when the officer applies for pension."

2. Inspecting Officers of Taluk Treasuries are required expressly to examine this matter in the case of Taluk establishments. Section 55 of the Civil Account Code (last clause) clearly lays down that the yearly return of establishments standing on 1st July should be carefully compared with the service registers; and the Comptroller has been repeating these instructions every year when calling for this return.

3. There is thus no excuse for this important work being neglected in any office. Government are therefore pleased to direct that service books should be properly checked and brought up to date at once in every case in accordance with the rules laid down in the Civil Account Code and the Mysore Civil Service Regulations. A special report should be sent up with a personal certificate of the Head of the Office with the next yearly lists of establishment submitted to the Comptroller, who will report to Government how far the order has been carried out.

4. The Heads of Departments and Deputy Commissioners are also requested to see that these instructions are fully carried out.

5. In cases in which the service books have not been brought up to date, the Comptroller is authorized to direct that the pay of the officials concerned should not be disbursed from October next, without a special order of Government.

JUDICIAL

Proceedings of the Government of His Highness the Maharaja of Mysore.

READ—

Correspondence ending with letter No. 2119—71, dated the 30th September 1902, from the Registrar of the Chief Court of Mysore, submitting the explanations of the Munsiffs who presided over the Munsiff's Court at Nelamangala and the Principal Munsiff Court at Bangalore, in connection with the defalcations of money deposited in those Courts.

No. J. 1372-3, DATED BANGALORE, 5TH MARCH 1903.

ORDER THEREON.—The Registrar of the Chief Court of Mysore reported, in the marginally noted communications, that certain amounts deposited by judgment-debtors in the Bangalore Principal Munsiff's Court and the Nelamangala Munsiff's Court, for payment to creditors, were found to have been misappropriated, and that the officials responsible for the defalcations, *viz.*, Chendrasekharaiya, Nazir of the former Court, and M. Krishna Rao, Head Munshi of the latter Court, were ordered to be criminally prosecuted; and the Registrar requested that, pending the result of the prosecutions, the payment from the Treasury of the sums due to the judgment-creditors might be sanctioned subject to adjustment thereafter. The sums misappropriated amounted, as far as could be ascertained, to Rs. 3,240-12-3 in the case of the Nelamangala Munsiff's Court and Rs. 1,370-9-10 in that of the Principal Munsiff's Court, Bangalore.

No. 3711—121, dated 29th November 1900.
„ 3713—123, „ 29th do
„ 5799—185, „ 8th March 1901.
„ 6759—216, „ 1st May 1901.
„ 461—22, „ 18th July 1902

2. In directing that the money required as above (less amount recovered from the sureties of one of the accused) be drawn from the Treasury as an advance subject to adjustment, the Government observed as follows:—

"The liability of the officials directly concerned to make good the amount must be enforced notwithstanding that they will on trial be brought to punishment. The officials who misappropriated the money have, it is presumed, given security. A searching enquiry should be held, proper explanations obtained from all officials (including the presiding Munsiffs), who had and who ought to have exercised control over the pecuniary transactions of these Courts during the period in which these defalcations occurred. Unless good reasons are shown against imputing personal liability to any of these officers, they should be made to reimburse the Government for any loss that has resulted from their negligence in the performance of their proper duties. Government will be glad to receive an early report of the action taken in this matter."

3. The Registrar now forwards the explanations of the officers who presided over the Courts in question, and reports that the Head Munshi of the Nelamangala Munsiff's Court and the Nazir of the Bangalore Munsiff's Court have been criminally prosecuted and convicted; that a sum of Rs. 250 was recovered from the sureties to the security bond of the Nelamangala Head Munshi; that a decree has been obtained in the Bangalore Sub-Judge's Court against the Nazir of the Bangalore Munsiff's Court for Rs. 300 and costs; and that the Public Prosecutor, in execution of the said decree, has attached two houses and a vacant site said to belong to the Nazir.

4. Of the Munsiffs who presided over the Munsiff's Court at Bangalore during the period of the defalcations, the earliest was Mr. B. Ramaswamiengar; and his explanation with regard to the embezzlement of certain items of money deposited in Court is to the following effect:—

He was not in charge of the Court when incorrect cheques were issued for payment of the money to decree-holders. The Nazir and Head Munshi appear to have prepared incorrect cheques and got them issued to the Treasury, where some official or officials, in collusion with them, passed these cheques and made payments from

other than the proper funds. He cannot therefore be held responsible inasmuch as receipt orders had been given to parties, and these had brought them back (in all probability after obtaining Treasury acknowledgments) and signed the receipt entries in the cash book. The absence of counterparts of receipt orders and of entries in the Treasury accounts are, under all the circumstances referred to above, more consistent with the theory of collusion between the Court officials and Treasury officials, than with the supposition that the parties left the counterparts as well as the moneys with the Nazir and blindly signed the cash book entries.

Mr. P. Singrachar explains as follows :—

There was only one Nazir for both the Principal and Additional Munsiffs' Courts. Under the system then in force, moneys did not necessarily go into Treasuries by means of Receipt Orders, and to the hands of parties only by means of cheques; and it was impossible for the presiding officer to check the entries except by elaborate overhauling. This it was impossible to do, owing to the heavy work the Munsiff had. The same was the case as regards items which, while showing *prima facie* credits and debits, were subsequently found to be fictitious, and also items consisting of moneys attached and received but not brought to book. In regard to certain items in which the signature of a party had been forged by the Nazir, it was not possible for the Munsiff to find out the character of the payment in the absence of a complaint by the party aggrieved. The Nazir was solely and personally responsible for the correctness of his accounts, and he alone should be held responsible for his malpractices.

Mr. Vanderlowen represents that it is impossible for him to give any explanation as he has not had access to the account books and other references. He affirms that all possible precautions were taken by him to prevent embezzlement; and if, notwithstanding such measures, defalcations did occur he can only put it down to inability on the part of human agency, to effectually prevent all crime.

The following is, in brief, Mr. B. Srinivasa Rao's explanation :—

Owing to the confused state of the records, registers etc., in the Court, at the time he took charge of it in June 1898, he could not bring the work into order till some months afterwards. As soon as he examined the Nazir's Registers and found several omissions therein, he reported the fact to the Chief Court, and solicited orders to arrange for the minute examination of the accounts of the Nazir. The latter made additions, alterations and erasures in the receipt orders and cheques issued from the Court and also in the cash book, after they were signed by him and without his knowledge. The Nazir and the Treasury officials conspired together and managed to misappropriate the money for a number of years, and the malpractices and the manipulations facilitated the embezzlement. The defalcations were of a most complicated nature and such as could not be discovered by ordinary supervision required to be exercised by a presiding officer, and therefore he is not, under the circumstances, personally responsible. The system in force till March 1901 facilitated the perpetration of frauds. There was no complaint by parties.

5. Next, as regards the officers who presided over the Nelamangala Munsiff's Court, Mr. B. S. Krishnaswamiengar states that he has already done his best concerning the examination of the registers etc., kept in Court, and if there has been any shortcoming it is due entirely to oversight or pressure of other and more important duties of his office. He trusts he will not be held answerable for the misdeeds of a dishonest official, though there has been no wilful neglect of duty on his own part. In case, however, he is to be held answerable for the same, he will then apply for the materials necessary to enable him to submit an explanation.

Mr. P. A. Sivaprakasam Pillai states that the irregularities discovered were not of an ordinary kind, and that they could not have been committed but for the help the Head Munshi had from the Treasury officials in the Taluk. At least some portion of the credit of discovering the irregularities of the Head Munshi was due to himself (the Munsiff), and if he did not report the matter earlier, it was because he feared he might not be able to prove it by satisfactory evidence, should he be called upon to do so. He hopes that he will not be made to recoup the money with reference to which the Head Munshi committed irregularities during his tenure of office as Munsiff of Nelamangala.

6. In their Proceedings No. 3698-702—78, dated 30th October 1901, and No. 1325-26—57, dated 25th August 1902, the Chief Court have clearly pointed out in what respects these officers have failed to exercise proper supervision, which omission resulted in the reported loss to Government.

7. After a careful consideration of the above explanations, Government regret they are unable to absolve any of the officers concerned, with the exception of Mr. D. Ramaswamiengar, from the responsibility attaching to them as the officers who presided over the Courts in which the embezzlements occurred. It was their duty to have exercised adequate control and check over the cash transactions and accounts of the Courts, and if this had been done, it would not have been possible, or at any rate easy, for the Nazir or other officials to misappropriate Court monies to such a large extent without detection for a number of years. The Government fully agree with the opinion expressed by the Chief Court in their Proceedings of the 30th October 1901, that many of the defalcations were due to the Munsiffs having failed to adopt the necessary precautions. While the Nazir is the person primarily liable for defalcation, the Munsiff, who is the presiding officer, is also liable to make good amounts embezzled through his carelessness in supervision and failure to apply the ordinary checks. The plea that his having to do heavy work of one kind can exculpate the Munsiff for neglecting other work, cannot be admitted. With reference to the explanations furnished by Messrs. Vanderlowen and B. S. Krishnaswamiengar, Government must point out that the proper opportunity for asking to be allowed to examine the materials bearing on their personal responsibility was, while such responsibility was under enquiry and before it was declared, as it now is. The quota payable by each of the officers concerned (*viz.*, Messrs. Singrachar, Vanderlowen, Srinivasa Rao, Krishnaswamiengar and Sivaprakasam Pillai) is the amount misappropriated during his term as presiding Munsiff. This will be intimated by the Registrar, Chief Court, to the Comptroller, who will be good enough to recover the sums accordingly and credit the same to the Treasury, the fact being intimated for the information of Government. With regard to Mr. Sivaprakasam Pillai, however, the Government are willing to give him credit for the recoveries made from the Nazir. This is in reference to the report by the Chief Court that it is this officer who brought the existing irregularities to notice.

8. The Chief Court observe in para 3 of their letter of the 30th September last, that there is reason to think that the defalcations could not have been committed without the connivance of the Taluk Treasury officials. The Comptroller is requested to cause the matter to be carefully investigated and then favour Government with his opinion.

Memo No. 294, dated the 26th September 1901, from the Inspector General of Registration in Mysore, submitting for information a copy of circular No. 3 of the same date, issued by him to all Registering Officers in Mysore, directing that under Section 32 of the Registration Act, III of 1877, as in force in the State, a power-of-attorney attested by a Registrar or Sub-Registrar of the Civil and Military Station, should alone be recognised and acted upon, any attestation happening to be made by any Magistrate of the Civil and Military Station, being refused to be recognized.

No. J. 1374, DATED BANGALORE, 5TH MARCH 1903.

ORDER THEREON.—The Inspector General's circular No. 3 of the 26th September 1901, is based on the assumption that the Civil and Military Station of Bangalore is a part of the Mysore State for the purposes of the Registration Act. This view, the Government observe, is erroneous. Though the Civil and Military Station is within the Mysore State, His Highness the Maharaja has, under the terms of the Instrument of Transfer, assigned the lands forming the Station to the British Government and renounced all jurisdiction therein; and the same has therefore ceased to be a part of the territories of Mysore administered by His Highness. Now, the Registration Act, III of 1877, was extended to Mysore by the Notification of the Government

of India, Foreign Department, Judicial No. 71, dated the 14th June 1877; and was continued in force after the Rendition by His Highness' Proclamation of the 25th March 1881. Though the same Act is in force in the Civil and Military Station, the authority under which it has operation there is not that of the Maharaja, but of the Governor General in Council under the marginally specified Notifications. It is thus clear that the term "Mysore" (to be substituted for "British India") in Section 33 of the Registration Act as in force in the State, cannot include the Civil and Military Station; and therefore that any power-of-attorney executed by a person residing in the said Station and which was required to be recognized in the Mysore State, would have to be attested by a Magistrate, etc., under clause (*c*) of the Act, and not by the Registrar or Sub-Registrar. And similarly, it may be added, a power-of-attorney required to be recognized in the Civil and Military Station and executed in the Mysore State, would have to be authenticated by one of the officers specified in clause (*c*) of Section 33 of the Act as applied to the Station.

Notifications of the Government of India, Foreign Department, No. 126 G. P., dated 28th April 1881, and No. 2252 I., dated 7th August 1883.

2. The Inspector General of Registration is accordingly requested to withdraw his circular in question, and to issue a fresh circular to all Registering Officers that powers-of-attorney executed by persons residing in the Civil and Military Station, and authenticated by any of the officers mentioned in clause (*c*) of Section 33, should be recognized. A copy of this circular should be submitted for the information of Government.

1. I am directed to acknowledge the receipt of your letter No. 142, dated Camp, 2nd January 1903, recommending that, as it does not appear to be generally understood that shooting in a reserved forest is prohibited without special permission of the Forest Officer, the marginally noted clause may be added to Rule 25, Part III of the Shooting Pass Rules (paragraph 321, Army Regulations, India, Volume II, Part B).

"Shooting in Government reserved forests is prohibited without special permit from the Forest Officer."

2. In reply I am to say that the Government of India approve the proposed addition to the Shooting Pass Rules.

Report on the Administration of Civil Justice in Mysore, for the year 1901-02, received with letter No. 3282—122, dated 24th November 1902, from the Registrar of the Chief Court of Mysore.

No. J. 1445, DATED BANGALORE, 17TH MARCH 1903.

ORDER THEREON.—Recorded.

2. (1) *Work in the Chief Court.*—The number of original suits filed during the year in the Chief Court was 5. Including 9 cases pending at the close of the previous year, the total number for disposal was 14. Of these, 4 were disposed of, all after contest. The average duration of contested suits rose from 400·22 days in 1900-01 to 708·50 in the year under report. This increase is reported to be due to the fact that the cases disposed of had long been pending.

(2) The number of first appeals for disposal in the Chief Court was 485 including the number pending at the close of last year. Of these only 135 appeals or less than half the number (*viz.*, 299) instituted during the year, was decided, leaving 350 appeals pending at the close of the year. This heavy pending file is reported to be due to the fact that preference had to be given to the hearing of Criminal appeals, which have considerably increased during the last three or four years. The average duration of the first appeals disposed of rose from 614·11 days in 1900-01 to 756·59 days during the year.

(3) Of the 487 second appeals for disposal during the year, 156 or about one-third of the total number, were disposed of, leaving 331 pending at the close of the year. The average duration of second appeals also rose from 438·08 days in 1900-01 to 597·50 days during the year under report.

(4) An improvement both in disposals and in average duration is expected from the recent re-establishment of a District and Sessions Court for the Bangalore Division.

3. *Original work in Subordinate Civil Courts.*—The remarks in paras 55 and 56 of the Report are instructive as showing the effect of the prevalence of plague in checking the volume of litigation and retarding the speedy disposal of suits in subordinate Civil Courts. The total number of suits instituted in 1901-02 was 20,084 as against 23,021 in the previous year; and of that number, a little over 8,000 were of a small-cause nature. Out of a total of 26,748 suits for disposal, a little over 20,000 were disposed of, leaving 6,171 pending at the close of the year. The work of this class done by District Judges was meagre, as only 54 original suits (of which 26 were alone contested) were disposed of by them out of a total of 133. The average duration of contested suits in the Mysore District Judge's Court rose from 290·25 days in 1900-01 to 540·75 days during the year, which should have been explained; while in the Shimoga District Judge's Court there was a gratifying decrease in the duration from 1,584·30 to 331·15 days.

4. *Appellate work of Subordinate Civil Courts.*—The appellate work of subordinate Civil Courts during the year under report cannot be considered satisfactory, although improvement is perceptible in the Courts of all the Sub-Judges and of the Mysore District Judge, who have decided more appeals than were filed during the year and thus prevented the further accumulation of the already existing heavy arrears. Of 1,530 appeals for disposal, only 716 or less than one-half were disposed of, leaving 814 pending at the close of the year, as many as 718 of these being cases pending on the file of the District Courts. The average duration also of appeals in the latter Courts rose from 297·92 to 318·90 days.

5. *Execution.*—Turning to the execution of decrees, it is observed that the majority of applications for execution were as usual infructuous, only 11 per cent being wholly, and a little over 10 per cent partially, satisfied. Out of 146 insolvency applications, 20 were granted and 95 rejected, leaving 31 pending at the close of the year.

6. *Receipts and Expenditure.*—The expenditure in all the Courts (including the Chief Court) has increased to a slight extent, while the receipts show a small diminution, as will be seen from the following comparative statement :—

Name of Court.	Receipts in 1900-01.	Receipts for 1901-02.	Charges for 1900-01.	Charges for 1901-02.

commission sanctioned in Proceedings No. 8309-10—L. F. 295-96, dated 14th November 1902. The circumstances under which payment was withheld in the case of the first three Municipalities since 1898-99 should have been explained. The provision will, however, stand.

* Original estimate was Rs. 2,933 or Rs. 1,807 more.

8. From the above it is evident that the closing balance is less than the prescribed minimum in Yelahanka, Nelamangala, Magadi, Closepet and Kankanhalli, while in Tyamagondlu there is a debit balance of Rs. 411, notwithstanding the fact that the additional grant above sanctioned is only Rs. 53. Steps should therefore be taken to maintain the usual working balance by effecting savings in the sanctioned items and improving the existing sources of revenue.

Proceedings of the Government of His Highness the Maharaja of Mysore,

Correspondence ending with letter No. 525, dated 7th May 1902, from the Deputy Commissioner, Hassan District.

(2) Letter No. 291, dated 25th October 1902, from the Superintendent of Revenue Survey in Mysore.

No. R. 3542-51—R. F. 3-1899, DATED BANGALORE, 5TH MARCH 1903.

ORDER THEREON.—Muthanahalli tank, Registered No. 775, in the Hassan Taluk is a Government tank, with an atchkat of 9 acres and 17 guntas assessed at Rs. 33, and getting part of its supply from rain water falling on gomal Survey No. 49 of Muthanahalli and gomal Survey No. 10 of Ravathnahalli, which drains into it, by a defined channel. Eranna *bin* Erappa, the occupant of Survey No. 25 (dry) measuring 13 acres and 35 guntas and assessed at Rs. 19 in Muthanahalli, raised paddy on a portion of his land by breaching the channel just above his land. The matter was reported on the Takarar Taktha for 1898-99, and the Amildar observed that an assessment of 1-8-0 might be levied on the irrigated portion, Rs. 3 being the rate levied on the adjoining wet lands. The Jamabandi Officer solicited a reference to Government in the matter.

2. The Deputy Commissioner stated that, under Section 36 of the Land Revenue Code, the water utilized by the raiyat was Government property and that, under Government Proceedings No. 8660-8—R. 1284, dated 28th November 1894, a land irrigated by a jungle stream was liable to a water rate to be fixed under para 2 of Rule XIX of the old Land Revenue Rules; but that, under Rule III of the survey guarantee, when a water-course was made from a stream, of which the water was not the produce of a work constructed at the expense of Government, no additional assessment would be imposed, whilst, under Rule IV of the same guarantee, Government reserved the right of prohibiting water-courses being made so as to interfere with the storage of water in a work constructed by Government. He further pointed out that, in a case in which a raiyat holding dry land situated on a low level raised wet crops thereon by constructing at his own expense a dam across the jungle stream running through his *own* land, Government laid down in Proceedings No. 11033—641, dated 17th December 1890, that dry rate alone should be levied, and observed that the Rules and the Proceedings quoted above were somewhat misleading, and therefore solicited the orders of Government in the matter.

3. The Superintendent of Revenue Survey, who was consulted in the matter, gave it as his opinion that, as the right to this water vested in Government, Section 53 of the Revenue Code gave a clear right to Government to impose a water rate. The occupant not having constructed any work within his land, but breached a channel outside its boundaries, could not claim the immunity given by Rules III and IV of the survey guarantee.

4. Government concurring in the opinion of the Superintendent of the Mysore Revenue Survey, direct that, when an occupant constructs dams or draws water direct from streams not within the boundary of his occupancy, he is liable to pay water rate.

SALE OF TODDY SHOPS FOR 1903-04.

Notification No. 429—Ex. F. 6-1902, dated Bangalore, 18th March 1903.

1. It is hereby notified by the Government of Mysore that the exclusive privilege of selling toddy in each shop or group of shops specified in the appended *Schedule for one year, beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction at upset prices by the respective Deputy Commissioners or by Revenue Sub-Division Officers or Divisional Officers of the Excise Department or Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said Schedule, and at the respective Taluk Kasbas, and will be knocked down to the bidder offering the highest amount of rent for the aforesaid privilege. If the sales are not completed on abovenamed days, they will be continued on the next following days. The officer conducting the sale shall be at liberty to revise, when necessary, the grouping of shops as specified in the Schedule hereto appended, and to accept or reject any bid at discretion, or to sell the said privilege in any particular case, by means of tenders or by private negotiation, or to sell the privilege in any Coffee Estate to the planter for a fixed amount not less than Rs. 12 per shop. The shops in alienated villages shall be separately sold, and the amounts connected therewith shall be shown in the accounts under a distinct head. The sale in every case shall be subject to the conditions hereinafter set forth, and shall, *unless revised by the Government*, take effect upon formal confirmation by the Deputy Commissioner. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit, which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former licensee who has been guilty of infringement of the terms of his license or of the Excise Laws in force, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the licensee breaking down.

2. (*a*) Parties intending to bid must attend either in person or by duly authorized agents and no person shall be permitted to bid either on his own behalf or an account of any one else until he has made a deposit of Rs. 10 in the case of individual shops, or Rs. 25 in the case of the groups of shops, or such other reasonable amount as may be fixed by the officer conducting the sale. Such deposits will be returned at the close of the sale.

(*b*) No shops or groups of shops shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

3. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next shop or group of shops is put up for sale, deposit a sum equal to one-twenty-fourth part of his bid for the year, that is to say, one-half of the monthly rent; and within

*NOTE.—For Schedule, see *Mysore Gazette* Supplement, dated 26th March 1903.

fifteen days of the confirmation of the sale by the Deputy Commissioner being notified to him in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Within ten days after the expiry of the period allowed for making the deposit of three months' rent as above, the purchaser of the exclusive privilege shall execute an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient, to observe the conditions hereinafter set forth, as well as those specified in the license to be issued to him; and his surety, if any, has been accepted under the next following para, shall execute a bond in the prescribed form binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, for the due fulfilment by the purchaser of the terms of his agreement. If default is made in making the deposit or deposits or in executing the agreement or the security bond, if any, within the time allowed therefor by this para, the exclusive privilege shall be forthwith re-sold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him, and shall further be liable to make good any loss by the re-sale or other disposal, but shall not be entitled to any gain by the re-sale or other disposal. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

4. The deposit made under the preceding para shall be either in cash or in Government of India Securities or Mysore Debentures duly endorsed in favor of the Deputy Commissioner. Provided that in lieu of a deposit of three months' rent as above, the Deputy Commissioner may in his discretion, allow any purchaser to deposit one month's rent as above, and to furnish approved personal security for an amount equal to four months' rent, or to deposit two months' rent, and to furnish personal security for an amount equal to three months' rent. In all cases where the monthly rent does not exceed Rs. 10, a cash deposit equal to three months' rent shall invariably be taken, and no personal security shall be demanded or accepted. If the purchaser shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties, residents of and possessing property in the Mysore State, to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

5. As soon as the agreements and bonds have been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to tree-tax Rules, toddy-yielding trees in the groves assigned to his shop or group of shops; and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any licensed toddy shop-keeper on application to the Inspector, who will grant the necessary permits on proof of the necessity for the same.

(2) The exclusive privilege shall extend to the sale of date, palmyra, cocoanut, bagani, and dadasal toddy. But in tracts where both date and bagani toddy shops exist, the licensee of the date toddy shop shall not tap bagani trees, and the licensee of the bagani toddy shop shall not tap date trees; but both licensees can tap any of the other palm trees named above.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1903. But if the amount of annual rent for any shop does not exceed Rs. 5, the whole of it shall be paid in the first instalment. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, by record in writing, cancel the license, order the forfeiture of all deposits made by the defaulter, and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk, as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion, direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents, the aggregate of which is not less than the rent the defaulting licensee had agreed to pay.

(4) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the license. All arrears and deficits payable by a licensee shall, with interest at 6 per cent per annum, be recoverable from him or his surety under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from the date of re-sale.

(5) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the license, in which case he shall serve a notice on the defaulting licensee, informing him of the nature of the arrangements made.

(6) Toddy shall not be sold to the public at less than the retail rates specified in the appended Schedule.

(7) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts, if any.

(8) If the licensee of a group of shops wishes to establish a depôt for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The licensee of the depôt shall keep true accounts of the quantity of toddy received in the depôt and issued to the shops. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(9) Toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the Rules, are strictly prohibited. Provided, however, that in bagani tracts, the licensee who has purchased the right of vend of bagani toddy, may permit the tapping of bagani trees for domestic consumption, as well as for sale within the limits of the village purchased by him. The licensee of each shop will be required to keep an account of the receipts and expenditure of toddy in his shop.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shop or shops to be closed, or permit transfers of shops from one place to another within two hundred yards of the original sanctioned site. A sufficient supply of toddy shall be maintained in all sanctioned shops.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack within the taluk in which his shop is situated, nor permit any person having interest in the exclusive privilege of vending arrack in the taluk, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any toddy shop or farm outside the Territories of Mysore.

(12) The licensee shall be bound by the provisions of the Excise law and rules thereunder for the time being in force and by the terms and conditions of the license. The licensee shall use such measures of capacity as may, from time to time, be prescribed by Government, and provide himself with permits for the transport of toddy. Printed forms of permits may be purchased from Excise officers.

(13) The license shall not be transferable, except with the permission of the Excise Commissioner.

6. (1) Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized agents.

(*b*) of toddy shop-keepers in British Territory desirous of obtaining toddy from trees growing in the Mysore Territory but free from payment to the Mysore Government of the tree-tax prescribed in clause (9) below, and

(*c*) of tree-owners in coffee estates, hittals and kans in the malnad free of the prescribed tree-tax for drawing toddy for *bonâ fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 20th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of the applicant himself or of his nominees.

(2) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Inspector of the Range concerned through the Local Treasury. Forms may be obtained from him or the Assistant Inspectors under him.

(3) Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked, in token of his consent. Applications for tree-tapping licenses for trees in State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.

(4) Persons applying for the issue of tree-tapping licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed therein to be tapped and also for tree-rent in the case of trees on Government unoccupied lands.

(5) On receipt of an application, the Inspector will at once take steps for the marking of the trees by an officer superior in rank to a Sub-Inspector, and for the timely issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so, after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(6) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which licenses will be granted, and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(7) No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury.

(8) For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of the licensee, applications for tree-tapping licenses will be received, trees will be marked and licenses will be issued during the fifteen days, and pots may be attached to such marked trees during the five days immediately preceding the period to which they relate, to take effect from the commencement of such period, provided that no toddy shall be removed from the trees except during the currency of such license.

(9) No tree shall be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates:—

Tree.	Tree-tax for each tree per annum including local cess. Rs.	a.	p.
Date	1	1	0
Cocoanut	2	2	0
Palmyra	1	9	6
Bagani or Sago palm	1	9	6
Dadasal (Arenga wightii)	0	8	6

Note—The licenses will be free of tax to the Mysore Government in the cases specified in clause (1) (*b*) and (*c*) above.

(10) In addition to the above tax, tree-rent at annas 4 per tree per annum with local cess thereon shall be paid for all Government trees tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station of Bangalore.

Note.—No trees upon Government occupied land can be tapped without the consent of the owner. The present arrangement as regards trees on alienated land will hold good subject, of course, to the levy by Government of tree-tax.

The amount of tree-rent shall be credited to the respective Departments concerned.

(11) The tree-tax and tree-rent (with local cess on both the items) shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct:—

Period within which license is applied for.	Proportion of tree-tax and tree-rent to be paid at the time of application for license.	Proportion of tree-tax and tree-rent to be paid before the end of the month following.
Between 1st July 1903 and 30th April 1904.	One-third ...	The remaining two-thirds. But if the number of date, cocoanut and palmyra trees applied for be ten or less than ten, and of bagani and dadasal trees be five or less than five, the whole amount of tree-tax and tree-rent payable thereon, shall be paid with the application.
Between 1st May 1904 and 30th June 1904.	The whole	None.

(12) Under the arrangement which has been arrived at with the Government of Madras, the tree-tax on toddy produced by the trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government and *vice versa*. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. The following procedure shall be observed on the subject:—

(*a*) Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the Taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tapping Rules, and will obtain a Transport Permit from the Inspector concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

(*b*) A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Tahsildar's Treasury concerned in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Tahsildar after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

(*c*) The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in that State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department, for the purpose of giving them rest or for other reason considered sufficient by the officer refusing the license. The issue of licenses, marking of the trees etc., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higher rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

(*d*) The Inspector concerned in the Mysore State will issue Transport Permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British officer to grant permits from the frontier on to the destination of the toddy.

(*e*) Transport Permits, for toddy exported by rail, will be given in batches of seven or any other requisite number, one for each day, to allow of a Transport Permit being invariably attached to the Way-bill.

(13) In the tree-tapping licenses granted on the application of British renters and shop-keepers, the following rule will be inserted—

"All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into the Madras Presidency, under a General Transport Permit granted by the Deputy Commissioner of the District, or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unauthorized by the rules in force, are strictly prohibited."

(14) Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any officer duly empowered by it in this behalf.

(15) Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Inspector of the Range in Mysore Territory through which the toddy is being transported.

(16) Every person to whom a tapping license is granted for the manufacture of toddy either for local consumption or for export to British Territory, shall observe the following rules in tapping date trees:—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be over-tapped or overworked.

(*d*) In no date tree shall the initial incision be made at any point less than 3 feet from the ground except in places where permission is specially given.

(*e*) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(*f*) Every fresh incision shall not be less than one foot above the last incision, except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision ; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured the trees licensed to him or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him which may die from over-tapping or careless tapping either during the lease or within six months after its expiration.

(17) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tapmen to enable Excise officers to examine incisions or spathes, as the case may be, or to measure the incisions.

(7) In case of any breach of the aforesaid Rules or of the conditions of the license, either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops on 1st July 1903, or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and to re-sell the exclusive privilege or otherwise dispose of it at the risk of the licensee, or to place it under the management of Government. When a license is cancelled, the rent for the whole period of the license shall become due at once ; and all loss caused to Government by the cancelment of the license or by the re-sale or other disposal of the privilege, shall be made good by the licensee or his surety in the manner specified under para 3 above. All sums due shall be recovered in the same manner as if they were the arrears of land revenue.

8. The imposition of a fine or the forfeiture of a deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the law for the time being in force.

READ—

Letter No. 5449—349, dated 28th February,—7th March 1903, from the Excise Commissioner in Mysore, submitting for approval and publication two draft Notifications for the sale of "Arrack Vend Farms" and "Separate Shops" for the year 1903-04.

No. 430-40—Ex. F. 7-1902, DATED BANGALORE, 18TH MARCH 1903.

ORDER THEREON.—The Excise Commissioner has proposed to do away with the additional levy of a fee of 4 annas on every gallon of arrack sold in excess of 55 gallons a month in each of the "Separate Shops" in the Cities of Bangalore and Mysore, with effect from 1st July next. This matter involves questions of considerable importance which cannot be determined without further investigation. The Municipal Boards of Bangalore and Mysore, whose revenue will thereby be appreciably affected, have to be consulted before the practice, which has long been in existence, can be altered. The levy of the surcharge will therefore be left alone at present. The Excise Commissioner may, however, make a separate reference on the subject, reporting at the same time whether the Municipalities may not fairly claim to be compensated and how such claim should be met or provided for.

2. The additions made to clause (*b*) of para 3 of the Notification for the sale of "Vend Farms" and to clause (*b*) of para 2 of the Notification for the sale of "Separate Shops" are slightly modified as shown in the margin.

The words "or of more than one company or firm duly represented" are substituted for the words "unless they represent a duly recognised company or firm by means of a power of attorney."

3. With the above modifications, the Notifications are approved and forwarded to the Compiler, *Mysore Gazette*, for publication, in three successive issues of the Gazette, both in English and Kanarese, the schedules being published in the first issue and a reference thereto made in the subsequent issues.

4. The Excise Commissioner is requested to submit reports on the results of the sales from the District Officers and a general brief report, with the prescribed tabular statements, before the end of the current official year.

SALE OF ARRACK VEND FARMS FOR 1903-04.

Notification No. 441—Ex. F. 7-1902, dated Bangalore, 18th March 1903.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling arrack in the defined tracts specified in the appended schedule for the twelve months beginning with 1st July 1903 and ending with 30th June 1904, will be put up to public auction at upset prices, at the respective taluk kasbas, on the dates mentioned in the said schedule, by the respective Deputy Commissioners, or by Revenue Sub-Division Officers or Divisional Officers of the Excise Department or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former lessee, who has been guilty of an infringement of the terms of his lease or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

2. The exclusive privilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to

*NOTE.—For Schedule, see *Mysore Gazette* Supplement, dated 26th March 1903.

formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons,* be tantamount to an acceptance of the bid.

3. *(a)* Parties intending to bid must attend either in person or by duly authorized agents.

(b) No person will be permitted to bid until he has deposited Rs. 200 for each defined tract or farm, or such other reasonable amount as may be fixed by the officer conducting the sale; (provided that the Government may at any time dispense with such initial deposit). No farm shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

(c) The deposits made by unsuccessful bidders, if not forfeited as hereinafter provided, will be returned at the close of the sale.

(d) The successful bidder must, on the farm being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to $\frac{1}{3}$ths of a month's rent.

(*e*) Within 15 days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State or to be of doubtful solvency, he may be required to deposit twice the prescribed sum, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

(*f*) If he fail to make any of the deposits aforesaid, or to get the requisite surety or sureties, the deposits already made shall be forfeited, the farm shall be immediately re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 shall be at the risk of the defaulting bidder, who shall forfeit all gain, and in the event of a loss by the re-sale, shall make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale; and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. The purchaser of the exclusive privilege of vend in each defined tract shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made shall be forfeited; and the exclusive privilege shall be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it shall be binding on his heirs or assigns.

6. The details of consumption of arrack in the shops of the existing farms and at depots, the amount of rental of each farm, etc., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner shall issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) The exclusive privilege shall extend only to the sale of arrack ordinarily of 20° U. P. and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled or rectified country spirits and other special liquors, such as brandy, whisky, gin, etc., manufactured at the Government Central Distillery, Bangalore, and which the foreign-liquor shop-keepers alone are permitted to sell at the prices fixed by themselves.

(2) The amount for which the privilege has been purchased shall be payable into the local Taluk Treasuries on printed chellans in equal monthly instalments commencing from July 1903. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (*a*) The licensee shall purchase molasses arrack at 8¼ annas per gallon of 20° U. P. from Messrs. Arbuthnot & Co. of Madras, who have been appointed manufacturers of arrack and other country spirits to the State, or from any Bonded Depot established under the sanction of Government. The licensees of the vend farms in the taluks of Chikmagalur, Koppa, Mudgere, Tarikere, Manjarabad and Belur and such other taluks as may be ordered by the Excise Commissioner, can also purchase jaggory arrack from Bonded Depots in duly corked sealed bottles at Rs. 6-2-6 (including duty with local cess, *viz.*, Rs. 4-12-0) per gallon of 20° U. P., and sell such bottles only to respectable individuals at Rs. 7-7-0 per gallon of 20° U. P. or Rs. 1-3-10 per reputed quart bottle.

(*b*) The rate payable as above for molasses arrack shall be in addition to excise duty which shall be prepaid into the Taluk Treasury or into any other Government Treasury with the permission of the Deputy Commissioner as per following condition (5), at Rs. 4¾ (including local cess) per gallon of 20° U. P. and proportionately for lower strengths, before the removal of the arrack from the Distillery, or from any Bonded Depot established under the sanction of Government.

(*c*) The licensee shall sell molasses arrack to the public at Rs. 6-6-0 per gallon of 20° U. P. (*i.e.*, at annas 2 per dram, which is equal to $\frac{1}{17}$st part of a gallon) and at proportionate rates for lower strengths.

(5) (*a*) The licensee who obtains his supplies of arrack in his own vessels direct from the Distillery shall pay the above duty into the Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of the arrack covered by the receipt, and on payment of the price of such arrack at the aforesaid rates to the manufacturers or their agent, obtaining a receipt from him therefor, the officer in charge of the Distillery shall issue the quantity of arrack covered by the amount of duty shown in the Treasury receipt, and he shall forward the Treasury receipt to the Excise Commissioner's office under his endorsement as to the date and hour when the arrack was issued; and he shall issue a rahadari in the prescribed form for the transport of arrack from the Distillery.

(*b*) The licensee who gets his supplies from a Bonded Depot, shall pay both the price and duty into the Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of the arrack covered by the receipt, the Bonded Depot-keeper shall issue the quantity of the arrack covered by the amount of price and duty shown in the Treasury receipt, which shall be dealt with as laid down in the last preceding clause.

(*c*) The arrack issued to the licensee's shops shall be covered by the prescribed permits.

(5) The licensee who obtains his supplies of arrack from a Bonded Depot will not be required to open his own depot, or to provide himself with his own casks. In such cases the Government transporting contractor, his agent or servants shall convey such licensee's supplies of arrack from the Distillery, and deliver the same to him or to the shop-keepers under him in the said Bonded Depot. Provided, however, that in the event of the licensee pre-paying the duty and price of the whole contents of any casks received from the Distillery, he will be at liberty to distribute the whole quantity at once to his shops, or to remove it in his own vessels to any depot, which he may open within his farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to his shops. He shall be bound to keep in the Bonded Depot or in his own depot, if any, such stock of arrack as may be ordered by the Excise Commissioner.

(7) With the consignments of arrack from the Distillery or Bonded Depot to Farm Depots as well as with those from Farm Depots or Bonded Depots to shops, sample bottles shall be issued in such manner as may be ordered by the Excise Commissioner. The arrack kept in Farm Depots or issued therefrom to shops, as well as the arrack kept in shops or sold therefrom to the public, shall be of the same quality and strength as issued from the Distillery or Bonded Depot, and shall not be adulterated or diluted in any manner whatever.

(8) The licensee shall keep true accounts of the quantity and strength of the arrack purchased by him and issued to shop-keepers. The rahadaris or passes issued with the arrack purchased by him shall be subject to examination and check under the rules in force or which may be issued by Government from time to time.

(9) The arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the taluk within which his farm is situated, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the taluk, to hold any share or interest in his exclusive privilege of selling arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any districts of the Madras or Bombay Presidency under the British Government or any other Foreign State or Territory.

(12) The licensee shall be bound to take over any arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1903 in the Bonded Depot or in his Farm Depot, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise Laws in force, and by any additional rules which may from time to time be prescribed under the Excise Laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farms shall not be transferable except with the permission of the Excise Commissioner.

(15) The Deputy Commissioner shall grant to each shop under the licensee a license in the prescribed form.

(16) Resignations of farms in whole or part shall be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee or, with his connivance or privity, by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or for such neglect or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license, and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee, or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1903, shall be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other law for the time being in force.

By order,

Secy. to Govt., Gen. & Rev. Depts.

SALE OF SEPARATE ARRACK SHOPS FOR 1903-04.

Notification No. 442—Ex. F. 7-1902, dated 18th March 1903.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the appended * schedule for the twelve months beginning with 1st July 1903, and ending with 30th June 1904, will be put up to public auction at upset prices, by the respective Deputy Commissioners or by Revenue Sub-Division Officers or by Divisional Officers of the Excise Department or Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places mentioned in the said schedule. If the sales are not completed on abovenamed days, they will be continued on the next following days.

2. *(a)* Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at discretion. The condition and character of intending bidders may be enquired into; and the officer conducting the sale may, at the time of sale, refuse to receive the necessary deposit which gives the right to bid, from persons regarding whom the result of such enquiries is not satisfactory. No former licensee who has been guilty of an infringement of the terms of his lease or of the Excise Laws or Rules, shall be entitled to bid. The officer conducting the sale shall not be bound to accept the highest bid, should he consider it to be so extravagantly high as to afford apprehension of the lease breaking down.

(b) No shop shall be knocked down in the name of more than one person or of more than one company or firm duly represented. The selling officer shall refuse to register as a purchaser any one in whose name the bidding has not proceeded.

*NOTE.—For Schedule, see *Mysore Gazette* Supplement, dated 26th March 1903.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders, if not forfeited as hereinafter provided, will be returned to them at the close of the sale. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to ¼th of a month's rent for that shop; and within seven days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. If he fail to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, the shop will be immediately re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he will be debarred from, bidding again for the same or for any other shop.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who shall forfeit all gain; and in the event of a loss by re-sale, he shall make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit shall be deducted from the loss arising from the re-sale, and the remainder, if any, shall be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit shall be credited to Government.

5. Persons to whom shops have been knocked down shall, within ten days of the expiry of the period of seven days abovementioned, take out licenses and execute agreements in the prescribed form, binding themselves and so much of their movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by them of the terms of their agreement. On the failure of any person to take out licenses or to execute agreements as aforesaid, all deposits already made shall be forfeited, the shop or shops shall be re-sold at the risk and loss of such person, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The amount of rental, the consumption of each shop, etc., for several years past are specified in the appended schedule.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely:—

(1) The privilege conferred by the license extends only to the sale of Arrack ordinarily of 20° the strength of under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled or rectified country spirits and other special liquors such as Brandy, Whisky, Gin etc., manufactured at the Government Central Distillery, Bangalore, and which the foreign-liquor shop-keepers alone are permitted to sell at the prices fixed by themselves.

(2) *(a)* The amount for which the privilege has been purchased shall be payable into the local Taluk Treasury, in equal monthly instalments, commencing from July 1903. Each instalment shall be regarded as the rent for the month in respect of which it is payable. The licensee is not required to make any additional payment on account of local cess. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the separate shop as soon after the last day of the month as may be possible.

(b) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the lease. Provided, however, that where the separate shop is re-sold, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the shop. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue.

No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(c) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(3) *(a)* The licensee shall purchase Molasses Arrack at $8\frac{1}{2}$ annas per gallon of 20° U. P. from Messrs. Arbuthnot & Company of Madras, who have been appointed manufacturers of Arrack and other country spirits to the State, or from a Bonded Depot established under the sanction of Government. He can also purchase jaggory Arrack from the Bonded Depot in duly corked sealed bottles at Rs. 6-2-6 (including duty with local cess, *viz.*, 4-12-0) per gallon of 20° U. P. and sell such bottles only to respectable individuals at Rs. 7-7-0 per gallon of 20° U. P. or Rs. 1-3-10 per reputed quart bottle.

(b) The licensee shall sell Molasses Arrack to the public at Rs. 6-6-0 per gallon of 20° U. P. (*i.e.*, at annas 2 per dram, which is equal to $\frac{1}{51}$st part of a gallon) and at proportionate rates for lower strength.

(4) The licensee of every shop in the towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation at the rate of Rs. 180 per annum in advance for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all Arrack sold by him in excess of 55 gallons a month in each such shop.

(5) The above rate to be charged for Molasses Arrack by the manufacturers, and the above fee are in addition to the Excise duty which shall be prepaid as per following condition (6), at the prescribed rate of Rs. 4-12-0 (including local cess) per gallon of 20° U. P. and proportionately for lower strengths, before the removal of the Arrack from the Bonded Depot established under the sanction of Government.

(6) The licensee shall pay the above duty and price to a special shroff appointed in this behalf at the cost of Government and located at the Taluk Cutcherry to receive such duty and price daily, including Sundays and holidays, and shall obtain a receipt in the prescribed printed form. On production of such receipt, and indent for the supply of the Arrack covered by the receipt, the Bonded Depot-keeper shall issue the quantity of arrack equal to the amount of duty shown in the said receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of Arrack from the Bonded Depôt. He shall also issue sample bottles with the consignments in such manner as may be ordered by the Excise Commissioner.

(7) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going licensee on 1st July 1903, in the shop, paying him such compensation for the same as may be fixed by the Excise Commissioner.

(8) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Arrack, which forms shall be purchased from local Excise officers.

(9) The shop shall not be transferable except with the permission of the Excise Commissioner.

(10) Resignation of shops in whole or part will be summarily rejected by the Deputy Commissioner.

(11) The licensee shall be bound by the provisions of the Excise Laws and Rules in force and by any additional rules which may, from time to time, be prescribed under the Excise Laws.

(12) The remaining terms and conditions shall be as set forth in the prescribed license.

8. In case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop, or to carry on the business of his shop with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or for such neglect, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and re-sell the shop or to otherwise dispose of it at the risk of the licensee, or to place the shop under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shop on 1st July 1903, shall be made good by him. When a shop is cancelled, the rent for the whole period of the shop shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding para, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the Excise Laws or other Law for the time being in force.

Letter No. 4675—294, dated 28th January—13th February 1903, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the toddy revenue of Inam Venkatapura village and of its dakla Krishnarajapura village, in the Pavagada Taluk, Tumkur District.

No. 455-6—Ex. F. 11-1901, DATED BANGALORE, 26TH MARCH 1903.

ORDER THEREON.—Krishnarajapura was formerly a kayamgutta village in the Pavagada Taluk, Tumkur District, and was in the possession and enjoyment of one Krishnamachar. This village was treated as a sarva inam dakla village to Venkatapura when the latter was alienated as sarva inam to one Srinivasachar, a close relative of Krishnamachar, under sannad, dated 30th July 1830, which conceded the toddy revenue of the entire village. Krishnarajapura was subsequently transferred to its original owner Krishnamachar as a sarva inam. Under one and the same sannad referred to above, the Inamdars of both Asli Venkatapura and its dakla Krishnarajapura villages claim the toddy revenue of these villages. The Deputy Commissioner, Tumkur District, recognises the claims and the Excise Commissioner supports them. Government concurring with these officers hold that the Inamdars of both the villages referred to above are entitled to the Excise revenue from toddy under the several systems from 1892-93 under Rules 2, 3, 5, 6 and 9 of Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901, as there is a shop and groves attached to it in each of these villages.

Letter No. 2388—124, dated 22nd November 1902, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the claim to the toddy revenue of Jodi Mallenahalli village, since transferred to Hosdurga Taluk from Kadur Taluk, as per Government Order No. 4868-4908—R. F. 16 of 1900, dated Bangalore, 28th April 1902.

No. 465-6—Ex. F. 9-01, DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—In the Sannad dated 3rd August 1826, alienating the village, no express reference is made to the toddy revenue of the village. When the Inam was settled in 1871, it was remarked that "the Shrotriemdars should lease out their date trees to the abkari contractors and in that way can derive the toddy revenue and not by sale without a license." Subsequently an endorsement No. 618, dated 24th December 1873, was given to the jodidars by the Superintendent of Inam Settlements to the above effect, stating at the same time that the item of "Shendi" was not reserved to Government. It is upon this endorsement and their long enjoyment, in support of which toddy contractors' mutchalikas for the years 1841, 1845, 1852, 1853, 1854, 1862, 1864, 1879, 1885 and 1891 executed in their favor were produced, that the jodidars base their claim to the toddy revenue. The amount recovered by the jodidars from the contractors ranged from Rs. 1-5-4 to Rs. 36 per annum.

2. The Superintendent of Inam Settlements, whose opinion was invited, stated that it was not usual at the Inam Settlement to draw a distinction between the right of the inamdar to the excise revenue and the limited right to rent out the trees; but that in the present instance, however, the right seemed to have been limited to the rent of the trees. This, though somewhat inconsistent with the previous endorsement issued to the party by him, seems to be the proper conclusion; and concurring with the view of the Inam Superintendent, the Excise Commissioner considers that the jodidars are not entitled to the Excise revenue from toddy, as the amount recovered by the jodidars represented nothing more than the rent of the trees. Government agree with these officers and hold that the tree rent alone is legitimately claimable by the jodidars of the village in question from the year 1892-93 under Rule 4 of the Rules issued with Government Order No. 2074-83—R. F. 166-92, dated 2nd August 1901.

3. Referring to the last para of the Excise Commissioner's letter as regards the documents to be referred to by investigating officers in settling the claims to toddy revenue, Government observe that the instructions contained in para 3 of Rule 18 of Government Order of 2nd August 1901, are sufficient.

Letter No. 4274—193, dated 19—27th January 1903, from the Excise Commissioner in Mysore, reporting on the claim to the toddy revenue of the Jodi Timlapur village of the late Huliyar Sub-Taluk since attached to the Chiknayakanhalli Taluk under Government Order No. 4368-4908—R. F. 16-1900, dated 28th April 1902.

No. 467-8—Ex. F. 11-01, DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—The Inamdars of the above village have not produced any proof in support of their claim. They are not entitled to any Excise revenue. One-fifth of the "grove rent" from 1892-93 to 1896-97 may, however, be disbursed under Rule 4 of the Rules issued with Government Order No. 2074-83—R. No. 471-72—Ex. F. 11-01, DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—The Inamdars have produced no documents in support of their claim to the toddy revenue of the village referred to above. Only 1/5th of the "grove rent" for the years 1892-93 to 1896-97 and tree rent thereafterwards are all, in the opinion of Government, that the Inamdars are entitled to. No. 479-81—Ex. F. 11-01, DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—The sannad dated the 15th May 1811, alienating the above named villages in favor of the Sibi Narasimhaswami temple, concedes to it the "Bajebab" which includes toddy revenue. The Inam Department has also recognised the claim. There is a toddy shop in each of the above villages, but no groves, and a temporary shop is worked every year during the jatra. The temple has enjoyed the revenue from the shops uninterruptedly ever since the villages were alienated in 1811. The Assistant Commissioner who investigated the claim, the Deputy Commissioner of Tumkur, and the Excise Commissioner are all of opinion that the claim has been proved. Concurring with these officers, Government are pleased to declare that the temple is entitled to the Excise revenue from toddy of the villages in question (including the jatra shop) under Rules 2, 3, 5, 6 and 12 of the Rules contained in Government Order No. 2074-83—R. PETITION

Proceedings of the Government of His Highness the Maharaja of Mysore,

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 19 of 1902-03.

Appellant — *versus* — Respondent

Seetaramiah — Subramunnah.

Subject.

Appeal against the order of the Deputy Commissioner, Hassan District, declining to appoint the appellant to the shanbhogi office of Sarvamanyam Tarigalale and four other villages, Arkalgud Taluk, in succession to his father, dismissed for misconduct.

Facts of the Case.

On 10th September 1897, the Deputy Commissioner, Hassan District, dismissed the appellant's father, Seetaramiah, for culpable neglect of duty and insubordination to the Amildar, and appointed the respondent, a divided brother of Seetaramiah, as shanbhog instead. In their order dated 30th June 1898, passed on the appeal of the dismissed shanbhog, Government held that he was rightly dismissed, and they accordingly rejected the appeal. In connection with the present appeal by the son of the dismissed shanbhog, the Deputy Commissioner reports that by conferring the appointment on the appellant, the effect of the punishment inflicted on his father would be lost.

Decision.

Government see no reason to disturb the arrangement made by the Deputy Commissioner. It has been already noted that appellant's father was rightly dismissed for contumacious conduct. The only question is whether the offence is such as to justify the permanent exclusion of the appellant's father's (the dismissed shanbhog's) heirs from the hak. Government consider it a sufficient punishment if the office is kept out of the family during the life-time of the present officiator, *viz.*, the respondent. On his death or dismissal it will revert to the dismissed shanbhog's heirs. The order of the Deputy Commissioner will be modified accordingly.

No. 1241—P. F. 101-02, DATED BANGALORE, 3RD MARCH 1903.

Copy of the above is forwarded to the Deputy Commissioner, Hassan District, together with the vernacular records received with his letter No. 60 S.,—dated 22nd July 1902.

H. V. NANJUNDAYYA, *Secy. to Govt., Gen. & Rev. Depts.*

BEFORE THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Appeal No. 34 of 1902-03.

Appellant—Sabhapati Rao, kayamguttadar of Bhimapura, Hoskote Taluk.

Subject

Appeal against the order of the Deputy Commissioner, Bangalore District, directing the recovery of full assessment on certain lands claimed by the appellant as jari inam belonging to his kayamgutta village.

Facts of the case.

One Krishnappa was the holder of certain jari inam lands which were excluded from the assets of the kayamgutta village of Bhimapura in which they are situated. When he relinquished these lands in 1887, the kayamgutradar took possession of them and has since been enjoying the same without permission. In connection with the petition of the said Krishnappa praying for the grant of fresh lands in lieu of those relinquished by him, Government decided in Proceedings dated 11th December 1897, No. 5072-80—P. 698, that the lands in question having reverted to

the State, should be disposed of in the usual course. Accordingly in 1898 the Jamabandi Officer ordered that as the kayamguttadar was in illegal possession of the land since 1886-87, he should pay the full assessment on them from the year in which his enjoyment commenced. The Kayamgatta village not having been surveyed in detail, the Deputy Commissioner fixed the assessment at Rs. 14-10-4 according to the rate prevailing in the neighbouring villages, and a notice of demand was accordingly issued to the kayamguttadar on 21st July 1901 for Rs. 217-14-0 including the assessment for the past years. The appellant (kayamguttadar) appeals to Government against this order and contends that he was the real holder of the Inam, Krishnappa having been only the nominal Inamdar.

Decision.

The lands having been relinquished by Krishnappa, they became liable to be fully assessed and disposed of. Government see no reason to interfere. Appeal rejected.

No. 1256—P. F. 105-02, DATED BANGALORE, 6TH MARCH 1903.

Copy of the above is forwarded to the Deputy Commissioner, Bangalore District, together with the records received with his letter No. D. 299, dated 22nd September 1902.

Appeal No. 46 of 1902-03.

Appellants. *versus* Respondent.
(1) Shamaiya
(2) Venkataramaiya
(3) Bhagamma
Venkamma.

Subject.

Appeal against the order of the Deputy Commissioner, Bangalore District, appointing the respondent as shanbhog of Mudigere and Kolur villages in the Channapatna Taluk.

Facts of the Case.

The last registered holder of the shanbhogi office of Mudigere and Kolur villages was one Subbayia, who died in 1898, leaving behind him an only daughter, the respondent. The first appellant who is the brother of the deceased and the second appellant who is the son of the first appellant, prayed for the registry of the office in the name of the latter on the ground that the deceased had left no male issue. The third appellant, who is the mother of the deceased, prayed that the office might be registered in the name of either the first or the second appellant. In his deposition made before the Amildar in 1898, the first appellant admitted that the deceased and himself were divided in interest. The Assistant Commissioner directed the registry of the office in the name of the respondent, her husband being appointed gumasta and this order was, on appeal, confirmed by the Deputy Commissioner.

Decision.

The hak in dispute is claimed by the daughter of the last holder on the one hand and by his nephew, divided brother's son, on the other. The lower Courts have decided in favor of the daughter, respondent. It is a question, however, if in cases like this, we should be guided entirely by the Hindu Law of Succession. Potgi Rule No. 30 also would point to the undesirability of a woman being appointed to officiate and in the present case, the rival claimant is closely related to the last holder, being his brother's son although divided. Government decide that he should be preferred to the daughter, provided the Deputy Commissioner is satisfied as to his competency.

4. From the above statement it will be seen that out of a total quantity of 2,105 tons, 1 cwt. and 34 lbs. put up to auction in 1902, 1,953 tons, 9 cwts. and 26 lbs. were disposed of, realizing Rs. 9,29,007-11-11 against 1,900 tons, 13 cwts. and 32 lbs. sold in the previous year for Rs. 8,94,538-8-2. The quantity of wood offered for sale but not disposed of was 151 tons, 12 cwts. and 8 lbs. against 170 tons, 13 cwts. and 0 lbs. in 1901. Nearly the whole of the wood exposed for sale in the Hassan, Chikmagalur and Tirthahalli Kotis was disposed of; while in the remaining kotis the quantity of unsold wood ranged from 19 to 50 tons. The highest average of Rs. 529 per ton was secured at the Bangalore Koti, against Rs. 498 in the previous year, which was obtained in the Tirthahalli Koti where the sales began in that year; and the lowest average, *viz.*, Rs. 444, was secured at the latter koti. The high average of the Bangalore Koti, however, is due to the inferior classes having remained unsold. The next best average, *viz.*, Rs. 522 per ton, was secured at the Seringapatam Koti where also the inferior classes were withheld owing to the very low bids made. The highest all round average rate of Rs. 481 for the whole quantity of wood exposed for sale, calculating the value of the unsold wood at the average rates secured at the auction sale, was obtained at the Chikmagalur Koti, and the next best, *viz.*, Rs. 479, at the Hunsur Koti, while Tirthahalli comes last.

5. The following statement exhibits the out-put of each District and the results of the auction sales for the year under report and the previous year:—

6. The largest quantity of wood was collected in Shimoga, much of which, I regret to say, was green wood. Mysore comes next, where at least 95 per cent of

the wood was obtained from dead and fallen trees, and Kadur, where only dead trees were collected comes third. The sandal resources of Kadur are very great, but extraction is both difficult and expensive: and the small collection made in former years, evidently, is due to the less accessible regions having remained unexploited. The out-put of Hassan and Bangalore had to be reduced owing to the paucity of dead trees. In the remaining three districts sandal is only met with in gardens and in the vicinity of villages.

7. The high average rates per ton of wood actually sold shown against Mysore, Bangalore, Tumkur and Kolar are due, as already stated, to the withholding from sale of the inferior classes for want of proper bids. If the value of this unsold wood calculated at the average auction sale rates be added, Kadur stands highest in the list of averages, and Hassan takes the second place, being closely followed by Mysore and Bangalore, while Tumkur comes last. Kadur has retained the position it secured last year as yielding wood of the highest value. Mysore which was second best last year, comes third, having been narrowly beaten by Hassan. As compared with the average rates of the previous year, Hassan, Bangalore and Chitaldrug show an improvement and the remaining five districts a decrease. As the prices are largely dependent upon the requirements of the European market, no satisfactory conclusions can be arrived at from these comparisons. Nevertheless, it is difficult to explain why Kadur wood should fetch much more than Shimoga wood, seeing that the conditions under which the tree grows in these two districts are identical.

8. The names of firms and merchants who made purchases at the sales, the quantity of wood purchased and the amount paid by each are given below:—

31·6 per cent of the total quantity of wood sold was purchased by Messrs. Volkart Brothers, 17·4 per cent by Mr. Sorabji Nowroji, 15·6 per cent by Messrs. Pierce Leslie & Co. 10·5 per cent by Mr. Bharucha and the rest by 21 other merchants.

10. It will be seen that the all round average price secured during the year is Rs. 5 more per ton than in the preceding year, and Rs. 70 more than that of the average of the ten previous years. As compared with the previous year the prices have been slightly lower under eleven classes, but this has been more than compensated for by the markedly high rates secured for roots, for which there was keen competition. The last three classes are consumed chiefly in India and the fall in prices is, therefore, to be attributed to hard times and plague.

11. When compared with the average prices obtained for the various classes in the decade ending 1900, there is a general and most satisfactory rise except under two classes, of which, however, only an inconsiderable quantity is sold. This proves conclusively that there is an increasing demand for the Mysore sandalwood, and that there is no foundation for the statement frequently made in some quarters that the inferior sandalwood of Australia and South America is ousting it from the world's market. If a sustained supply is maintained and the wood is placed in the market with as much regard to finish and preparation as has been the case hitherto we can, I think, safely afford to defy all competition.

12. The subjoined statement compares for the last two auction sales, the average rates secured for each class in the different kotis :—

13. The aggregate balance of wood left on hand amounted to 151 tons, 12 cwts. and 8 lbs., of which 64 tons, 19 cwts. and 56 lbs. have since been disposed of by tenders for Rs. 31,698. The remaining quantity, the value of which is estimated at Rs. 28,000, will be disposed of either by tender or private bargain.

14. The budget estimate for the current year under viii (d) sandalwood is Rs. 9,28,800 and the total sales up to date amount to Rs. 9,60,706.

15. The most noteworthy feature of the year's operation is the unprecedently large quantity of wood, obtained from dead and fallen trees, exposed for sale. Except in the Districts of Shimoga and Tumkur and to some extent in Hassan, nearly the whole of the out-put is the yield of dead and fallen trees, the bulk of which would have been destroyed or lost from various causes but for the energetic steps taken to collect them. In this connection I desire to bring to the favourable notice of Government the valuable services rendered by Messrs. C. Appaiya and M. G. Rama Rao, District Forest Officers of Mysore and Kadur, respectively, both of whom and, especially, the latter spared no pains in the zealous and energetic performance of their duties. Mr. Rama Rao succeeded in the face of great difficulties as regards labour, carriage and storage accommodation in increasing the out-put of his district, entirely from dead and fallen trees, from 168½ tons to 405 tons and the revenue from Rs. 82,816 to Rs. 1,93,833 both being the highest on record. More wood could have been collected and sold in Mysore, but considerations of market demand restricted our operations.

16. It may not be out of place to mention here that the accommodation provided for the storage of assorted sandalwood in the Koties of Hunsur, Chikmagalur and Shimoga leaves much to be desired. These buildings are in a dilapidated condition and leak badly. Messrs. Volkart Brothers, our largest buyers, have already preferred a complaint that the wood purchased by them in the Chikmagalur Koti at the last sale had suffered from damp, so much as to cause them considerable loss, and have accordingly asked that an allowance of 2 or 3 per cent of extra wood be made for drjage. Without extensive repairs carried out at great expense it would be really unsafe to store any wood in this koti during the current year. The Koti at Hunsur is not in such a bad condition and might be made to do duty for a couple of years more, but the annual repairs cost a lot of money, which might be saved by constructing a new building. No new building is required at Shimoga, as Government have recently made over the District Jail buildings for this purpose. A portion of the Kadur wood is now sent to Tirthahalli and Shimoga for storage and sale. The cost of carriage would be greatly reduced and the preparation of the wood better supervised if a koti is built at Tarikere. I, therefore, beg to strongly urge the immediate construction of Kotis at Chikmagalur and Tarikere. The one required at Hunsur may be taken up next year. I estimate that the cost of each of these buildings will not exceed Rs. 15,000 if decorative architecture is eliminated in favour of solidity and simplicity. I venture to submit that the matter is one calling for immediate action, and request that necessary instructions may be issued in this behalf to the Public Works Department at an early date.

No. 564-72—5731-39, dated Bangalore, 19th March 1903.

Order thereon.—Recorded with satisfaction. The note is interesting and gives a year's account of one of the most important items of revenue.

2. The collection and exposure of green wood should be discouraged.

3. The construction of new kotis will receive early attention.

4. His Highness the Maharaja has noted with approval the good work done by Mr. Rama Rao.

The following Note dated the 6th February 1903, by the Officiating Conservator of Forests and Secretary to Government, Forest Department.

There are eight sandal koties in the Province to each of which the following establishment is attached :—

	Rs.		Rs.
1 Ranger on	... 50 to 70	3 Forest Guards on	... 7 or 8 each.
1 Forester ...	... 20 to 25	1 Sweeper ...	... 4

In the case of koties which turn out less than two hundred and fifty tons of wood per annum, this establishment seems to be in excess of the requirements. In order to see how a reduction of the staff would work, I reduced the superior staff of the Bangalore Koti to one Forester at the beginning of the last working season. The out-put of this koti is less than 100 tons of wood per annum, but as supplies are received from three districts, *viz.*, Bangalore, Kolar and Tumkur, the daroga has to maintain and submit three separate sets of monthly accounts. The work therefore is as heavy as in any koti producing double the quantity of wood.

The District Forest Officer, Bangalore, now reports that the experiment has proved a great success and this encourages me to extend this system to the koties at Sagar, Tirthahalli, Chikmagalur and Hassan, where the outturn of wood is less than 250 tons. The primary object of the proposed change is to effect a saving in the working of sandal wood, but the main object is to make the Rangers now in charge of these minor koties available for forest work. We are now largely adding to our State Forests and greatly developing their resources by introducing a rational system of management and exploitation; and it is found that the sanctioned strength of Rangers is not sufficient to cope with the increased work; so the difficulty can only be got over by placing the minor koties in charge of carefully selected and competent Foresters and transferring the Rangers now in charge of them to forest work. As a safeguard against bad work and lax management I would place the Range officers within whose jurisdiction these koties are located in general charge of them. At present Range officers have nothing to do with them, as they are under the immediate supervision of the District Forest Officers.

Foresters employed on the field work are entitled to a travelling allowance of 8 annas per diem in the malnad and 4 annas in the maidan; besides they get free house accommodation. They would, therefore, be most unwilling to serve in sandal koties as they are situated at large towns where the cost of living is dear; and moreover, they have to pay a house rent disproportionate to their pay. The Forester at present in charge of the Bangalore Koti, it is reported, is paying Rs. 6 per mensem as house rent. This is a large slice out of his pay, and the man consequently is greatly discontented with his position. In order, therefore, to secure an efficient and contented staff, I beg to propose that Foresters in charge of sandal koties be given a local allowance of Rs. 10 per mensem. Foresters in charge of Ranges draw a fixed allowance of Rs. 20 but they have to maintain a horse and camp establishment. Half of this allowance, it is thought, will be an adequate remuneration for increased responsibility and extra cost of living in the case of Foresters in charge of koties. Sanction is accordingly solicited to the proposed allowance of 10 rupees being paid to Foresters when placed in charge of the five koties referred to. The expenditure can be met from savings under head B 1, "Establishment" of the sanctioned budget allotment.

No. 551-2—5336-7, DATED BANGALORE, 11TH MARCH 1903.

ORDER THEREON.—The Officiating Conservator brings to notice that the out-put of each of the sandal koties at Bangalore, Sagar, Tirthahalli, Chikmagalur and Hassan, is less than 250 tons of sandalwood per annum; and that the establishment maintained therein is in excess of real requirements. He further reports that as an experiment he reduced the establishment of the Bangalore koti to one Forester on Rs. 30 in lieu of a Ranger on Rs. 50 to 70 and a Forester on Rs. 20 to 25. The system has been found to work satisfactorily, and Mr. Muthannah therefore proposes its extension to the other minor koties above referred to. He recommends, however, that a local allowance of Rs. 10 per mensem be sanctioned to each of the Foresters thus placed in charge of koties, by way of compensation for loss of travelling allowances and of the costliness of living in towns where the work is as heavy as the responsibility is great.

2. Government agree that highly paid Rangers are not required for charge of small koties, while their services are urgently required elsewhere for real out-door forest work, and that Foresters are sufficient to meet actual requirements. They further agree that such Foresters should not suffer pecuniarily by this arrangement. A local allowance of Rs. 10 per mensem will accordingly be granted to each of them, the cost for the current year being met from savings under B 1, "Establishment" of the Forest budget, and due provision being made therefor in future budgets.

3. The allowance sanctioned above will, in each case, be given effect to from the date on which a Ranger was replaced by a Forester, such date being intimated to the Comptroller direct.

Government Proceedings No. 233-42—Muz. F. 102-92, dated 14th December 1892 laying down rules for the succession of Gurus to Matts.

Petition No. 345, dated 7th August 1902, from Messrs, S. Parthasarathiengar, M. T. Naraniengar, and other disciples of the Sri Yetirajaswami Matt at Melkote, stating that Yetirajasampatkumara Ramanuja Jeeyer, Swami of the Matt, died and was succeeded by Komara Singlachar, one of the Acharyapurushas in the Sri Narayanaswami temple at Melkote, and praying that the usual *maryadés* and other honors due to the Matt be continued to the successor.

AND—

Correspondence ending with docket No. 122, dated 23th November 1902, from the Deputy Commissioner, Mysore District, regarding the succession.

No. 1865-73—MUZ. F. 3-1902, DATED BANGALORE, 16TH MARCH 1903.

ORDER THEREON.—The Yetirajaswami Matt at Melkote is endowed with a cash grant from the State.

2. From the Vernacular correspondence received with the Deputy Commissioner's communication read above, it is observed that Yetirajasampatkumara Ramanuja Jeeyar, the former Swami of the Matt, died at Rewa in Northern India on the 28th October 1901, and that one of his disciples, Komara Singlachar, succeeded him on the 23rd January 1902, under the name of Yetiraja Narayana Ramanuja Jeeyar, the succession having taken place at Govindagadh.

3. The late Swami did not obtain the previous approval of Government, while he was alive, as to the eligibility of the successor, nor did the community interested in the Matt apply to Government for the recognition of the successor, before giving him *Asramam*, as required in the Government Order read above.

4. On the death of the former Swami, Mr. Srikantiah, Amildar of the Seringapatam Taluk, who was also then in charge of the French Rocks Sub-Taluk, in addition to his duties, recommended to the Sub-Division Officer that the monthly cash allowance of Rs. 15-1-0 payable to the Matt from the Sri Narayanaswami temple at Melkote, be held in *amanath*, pending the appointment of a successor and his recognition by Government. The Sub-Division Officer, Mr. N. Venkat Rao, accordingly issued orders in January 1902, but subsequently, on the application of the Agent of the Matt, and on the recommendation of the Deputy Amildar of French Rocks, he issued an order to the Deputy Amildar in April 1902, directing the change of the Baraward to the name of the successor, as well as the disbursement to him of the Matt allowance, together with the *arrears* which had been till then held in deposit in the temple Treasury.

5. The Officiating Deputy Commissioner Mr. Kantaraj Urs reports that the matter was not reported to his office by the Sub-Division Officer of French Rocks.

6. Government observe that the action of the Sub-Division Officer, Mr. N. Venkat Rao, in having, of his own authority, directed the change of Baraward to the name of the successor, and in not having applied for the previous sanction of Government in the matter of the recognition of the new Jeeyar, was wrong and opposed to the standing orders on the subject. His procedure in having directed the Matt allowance being kept in *amanath* in the temple Treasury, without ordering its immediate remittance to the Taluk Treasury at the end of every month, and in having issued orders on his own responsibility, to disburse the arrears in question, was also irregular and opposed to Government Order No. 104-14—Cir. 6, dated 25th April 1892.

7. The Government also wish to point out the irregularity on the part of the former Swami, in not having applied for previous sanction of Government, regarding the selection of his successor.

8. The succession of the new Swami Yetiraja Narayana Ramanuja Jeeyar is, however recognized as a special case, with the hope that such irregularities will not be repeated in future.

Para 3 of Government Proceedings No. 748—Muz. F. 6-94, dated 21st December 1897, observing that the question of the alienation of the inam lands attached to the Sri Narasimhaswami temple at Vighnasante, Tiptur Taluk, would be dealt with separately and orders issued in due course.

Correspondence ending with letter No. 94, dated 18th July 1901, from the Deputy Commissioner, Tumkur District, reporting on the subject.

No. 1874-6—MUZ. F. 6-94, DATED BANGALORE, 16TH MARCH 1903.

ORDER THEREON.—The temple of Sri Narasimhaswami at Vighnasante in the Tiptur Taluk is endowed with the marginally noted inam lands at Vighnasante. Of these inam lands, the first four numbers and one-half of the fifth are reported to be in the possession and enjoyment of the temple, the other half of the Survey No. 49 and the whole of the Survey No. 123 being alienated. It appears that one-half of S. No. 49 in question was first alienated to one Mudli Venkataramana on the 31st January 1872, for a consideration of Rs. 150; that it was subsequently sold by him to one Putta Rudraiya on the 12th November 1873, for Rs. 150; and that it was again sold by the latter to Patel Narasegauda for Rs. 100 on the 17th December 1882. Nanjegauda, son of the last alienee, is now reported to be in possession and enjoyment thereof, paying a jodi of Rs. 6-14-3 to Government.

2. The other number, *viz.*, 123, appears to have been in the enjoyment of Munsiff Mr. Gopaliengar's father, for about 30 years previous to 1876 (as per Mr. Gopaliengar's written statement), and after him, it is reported to have been in the possession and enjoyment of Mr. Gopaliengar.

3. As regards the Survey No. 49, it is clear from the records that one-half of it has been alienated to several individuals one after another, the first alienation having taken place so recently as the year 1872. The alienation will therefore be cancelled and the land summarily resumed and restored to the temple, under para II, clause B, of Government Notification No. 266, dated 17th November 1877. The Deputy Commissioner is requested to take the needful action accordingly in the matter.

4. Separate orders will issue in regard to Survey No. 123 referred to above.

Government Proceedings No. 203, dated 5th August 1897, passing orders in the matter of alienation of the Inam lands attached to the Sri Channakesavadevaru temple at Balagar in the Tirthahalli Taluk.

Petition No. 1152, dated 26th October 1897, from Nagesa Rao and Rama Rao, complaining against the orders of the Deputy Commissioner of the Shimoga District, resuming the Devadaya Inam lands from the possession of the alienees.

Petition No. 437, dated 3rd September 1900, from Maribhatta, appealing against the order of the Deputy Commissioner, dispossessing him of the Inam lands attached to the temple.

AND—

Correspondence ending with the Inam Superintendent's docket No. 28, dated 11th October 1901.

No. 1894-6—MUZ. F. 7-98, DATED BANGALORE, 18TH MARCH 1903.

ORDER THEREON.—The facts of the case are as follow:—The marginally noted Inam lands situated in the village of Bharatipur and Beksakenchanagadde in the Tirthahalli Taluk have been granted as Devadaya Inam to the Sri Channakesavaswami temple in Balagar. Of these, only the land in Beksakenchanagadde village was in the possession of the temple. Of the lands in Bharatipur, Survey Nos. 24 and 26 were reported to be in the possession of one Maribhatta and the other two, *viz.*, Survey Nos. 28 and 30 were being enjoyed by another individual Lakshminaranappa. These persons, besides paying Jodi on the lands in their possession, were giving annually Rs. 24-10-6 and Rs. 24-8-0, respectively, to the archak, in consideration of their enjoyment of the lands. The archak of the temple petitioned this office stating that the lands yielded an annual income of about Rs. 320, whereas he got only Rs. 49 odd which was hardly sufficient for the proper performance of daily services in the temple and prayed therefore that the lands be resumed from the possession of the alienees and restored to the temple. The Deputy Commissioner also reported that both Maribhatta and Lakshminaranappa failed to produce any evidence to show that the lands in question had been granted to them for permanent cultivation by any competent authority and that they merely pleaded that the lands had been in their possession and enjoyment for several years past. Thereupon the Deputy Commissioner was requested to enquire and report why the lands in question should not be resumed from the possession of Maribhatta and Lakshminaranappa and leased out to others for a reasonable rent on behalf of the temple; and it was also observed that if the holders themselves offered to pay such rents as might be offered by others or deemed reasonable by the Deputy Commissioner, they might be permitted to continue in possession of the lands. The Deputy Commissioner served notices on them accordingly, but as they paid no heed to the same, he resumed the lands from the alienees, in consultation with the Inam Superintendent, and leased them out to others for a period of ten years on terms more profitable to the institution. Against this order of the Deputy Commissioner, Maribhatta and Lakshminaranappa's nephews Nagesa Rao and Rama Rao have appealed to Government.

2. The Deputy Commissioner now reports that Maribhatta seems to have been in possession and enjoyment of the Survey Nos. 24 and 26 for more than 50 years and that in support of his claim he has produced Kulavar Jamabandi Account of 1834-35. As regards Survey Nos. 28 and 30, he states that one Krishnaiya purchased the *Sagavali* Hak in 1886 and that after his demise, Lakshminaranappa and on the latter's death his nephews Nagesa Rao and Rama Rao were in possession and enjoyment of the lands, paying Rs. 24-8-0 to the temple in addition to the jodi amount payable to Government.

3. Thus, it is clear that the Survey Nos. 28 and 30 were alienated subsequent to 1853 and, therefore, the alienation requires to be dealt with under clause B, Rule II of Government Notification No. 266, dated 17th November 1877. The Deputy Commissioner's order resuming these lands under the authority quoted above is accordingly upheld and the appeal rejected.

4. As regards Survey Nos. 24 and 26:—

Having in view the fact that these numbers had been in the possession and enjoyment of Maribhatta and his ancestors for upwards of 50 years, as reported by the Deputy Commissioner and that in support of his claim Maribhatta has produced the Kulavar Jamabandi Account of 1834-35, Government deem it inexpedient to interfere with the possession and enjoyment of the land by the alienee. A mutchalika should however, be obtained from Maribhatta to the effect that he and his descendants will continue to pay to the temple as heretofore a sum of Rs. 24-10-6 annually, in addition to the Jodi amount payable to Government. This amount will be paid into the Taluk Treasury and not to the archak. He will get it from the Treasury in the usual course.

5. The Deputy Commissioner is requested to give due effect to the above orders and report the result to Government, for information.

The following letter No. 954—27, dated 14th June 1899, from the Deputy Commissioner, Chitaldrug District:—

"I have the honor to submit vernacular papers connected with inam lands attached to the Sri Channakesava Devaru and Prana Devaru at Kelagote near the town of Chitaldrug.

2. Three fields, marginally noted, were assigned as Inam to the temple and were at the Inam Settlement confirmed as Devadaya Inam, subject to a combined quit-rent of Rs. 17-0-0. There was an old temple dedicated to Channakesava Devaru, for which there is a ready money grant of Rs. 174 per annum. The lands above referred to were granted to one Govinda Rao, Subhedar of Chitaldrug, for raising a flower garden for use in worshipping Mukhya Prana Devaru, for which deity a temple was about to be built by the said Govinda Rao, and a well also proposed to be built near it. The authority for this grant is a sannad granted by Dewan Purnaiya dated Chaitra Sudha 12 of Prabhava (May 1807). At the time of the Inam Settlement a statement was given by the descendants of the grantee in which it is stated that the Inam was granted for lighting lights in the Channakesava Devaru temple, and for ordinary and the car utsava celebrations. In the title-deed granted by the Inam Commissioner, the grant is stated to be confirmed for the service of growing flowers etc., for offering to Prana Devaru and Channakesava Devaru.

Survey Nos. 4, 61 and 62.

3. The Kesava Devaru temple in the compound of which there is the Mukhya Prana Devaru temple and near which the above mentioned Govinda Rao has built a fine well costing some thousands of rupees, is a Muzrai Institution and is under Government management. The Prana Devaru temple too is under the same management. Till about 20 or 25 years ago the descendants of Govinda Rao used to supplement the ordinary pujas by special utsavas, but these have since been stopped. These descendants have now been reduced to poverty and were forced to pawn for their debts, ornaments which were used for the utsava and Mula Devaru (ಉತ್ಸವ ಮೂರ್ತಿ) of these shrines. They failed to pay their debts and the ornaments which were looked upon as the property of the temple, were sold by auction. In the absence of satisfactory evidence about their being the property of the temple and seeing that it was, till it was pawned, in the custody of descendants, no claim could be presented on behalf of the temple.

4. These descendants, however, were not satisfied with the pawning of the temple jewels; they mortgaged the inam lands which form the subject of this report. Upon the application of the Judgment-creditor, they were advertised for sale by the District Court of Nagar, but I presented a claim on behalf of the temple, on the ground of the lands being Devadaya Inam and succeeded in having the attachment removed. My attempts to secure possession of land free from other encumbrances created by the descendants of the grantee have, however, not succeeded, and it is upon this point that I solicit the orders of Government.

5. The lands were granted for worship and for growing Tulasi, flowers etc., for service in the temple. At present only Tulasi is grown and that too in only a small plot, 10 yards by 8, out of the 44 acres of inam land assigned for the purpose. The original grant mentions about a garden being formed, but I believe that the intention of both the donor, *i. e.*, the Government, and the donee, was that the whole usufruct of the inam land should be used for the temple, so that worship may be carried on in the temple independent of any help the members of the grantee's family may afford to the temple. This intention was carried out till very lately when the members were reduced to the necessity of appropriating for themselves what was held sacred as the property of the temple.

6. I tried my best to secure the presence of these surviving members of the family but they have evaded me till now. They are stated to reside in His Highness the Nizam's Territories. I could therefore take no explanation from them on the subject.

7. I beg to urge for the consideration of Government that the questions that have to be decided in the present case are first, whether the land is or is not the property of the temple and second if it is the property of the temple and the surviving members of the grantee's family were only trustees for the temple, whether by their mortgaging the land they are not guilty of breach of trust, and therefore Government as Managers of the temple are not entitled to resume the land on account of this breach of trust. If it is considered that it is not the property of the temple, it is only fair to the creditors that they should be allowed to get as much satisfaction out of it as they could. The lands are of considerable value and owing to this uncertainty about the real tenure of the Inam, middle men who have nothing to do with the temple, enjoy the benefits arising out of them, and it is necessary that all doubts about the matter should be cleared. I beg to urge that the failure to plant the whole or an appreciable part of the land with Tulasi and flowers and the attempt to alienate the land altogether are very good grounds for the resumption of the lands and their management by the Muzrai Department for the benefit of the temple.

8. I beg that the original title-deeds etc., accompanying the records may be retransmitted for return to the parties concerned."

AND—

Correspondence ending with docket No. 695, dated 20th February 1901, from the same Officer.

No. 1911-2, DATED BANGALORE, 18TH MARCH 1903.

ORDER THEREON.—The register of Inam shows very clearly that the marginally noted lands are temple "Devadaya" Inams and not enfranchised. The name of the Inamdar is mentioned as Prana Devaru and Channakesava Devaru. Under the circumstances, there can be no doubt that the utmost that Bhima Rao can lay claim to is the position of a trustee. It is apparent that alienations are not permissible, and the Deputy Commissioner of the Chitaldrug District is accordingly requested to take immediate action under the provisions of clause B, Rule II, of Government Notification No. 266 of the 17th November 1877, for the resumption and restoration to the Institutions concerned of the Inam lands which have been alienated subsequent to 31st January 1853.

(i) Government Proceedings No. 594-5—Muz. F. 28-94, dated 17th December 1894, sanctioning the deposit in the Government Treasury of the sum of Rs. 3,000 by Mr. Gundappa and the half-yearly payment of interest thereon at 5 per cent per annum for the maintenance of the temples of Sri Lakshminarayanswami and Sri Mallikarjunaswami at Challakere.

(ii) Government Proceedings No. 826-7—Muz. F. 28-94, dated 11th March 1895, sanctioning a scale of expenditure to be incurred in the temples.

(iii) Government Proceedings No. 761, dated 20th December 1898, directing that the house built at Challakere by Mr. Gopaliengar, formerly Amildar of that Taluk, for charitable purposes, be taken possession of by the managers of the temples, in view to its being let out for occupation on payment of rent and the proceeds applied for *bona fide* purposes of the temples.

(iv). The following letter No. 487, dated 20th December 1902, from the Deputy Commissioner, Chitaldrug District, proposing certain re-adjustments of the monthly scale of charges in the temples :—

"In submitting herewith a petition presented by H. Srinivasa Rao, son of late Mr. Amildar Gundappa, Dharmakarta of Sri Lakshminarayanswami and other temples at Challakere, praying for certain modification in the sanctioned scale of establishment and other charges of the institutions, I have the honor to state that the marginally noted scale of establishment is now maintained in the temples as sanctioned in Government Proceedings No. 826-7—Muz. F. 28-94 of the 11th March 1895. The same is being met from the sum of Rs. 150, the annual interest on Rs. 3,000 deposited for the purpose in Government Treasury by Mr. Gundappa.

Rs.	a.	p.	
5	5	0	For paditara of Sri Lakshminarayanswami and Lakshmidevi Ammanavaru
3	5	0	For paditara of Mallikarjuna Ishwara and Anjaneyaswami.
0	8	0	Mantrapushpa.
0	8	0	Sweeper.
9	10	0	Per mensem.
115	8	0	Per annum.
34	8	0	For Kalyanotsavam every year.
150	0	0	Grand Total.

2. It is reported that in addition to the above permanent expenditure, Mr. Gundappa used in his life-time to contribute from his own pocket not only the funds necessary for the maintenance of Nandadeepams and other occasional utsavams in the temples but also Rs. 2 more every month towards the pay of the archak of the Mallikarjunaswami temple.

3. On the death of Mr. Gundappa a year ago, his son, the present petitioner, being unable to provide any funds of his own for the extra expenses referred to above, prays that the expenses necessary for the conduct of the indispensable daily puja of all the temples may be met from the income of Rs. 150 above alluded to, and the cost of the other special utsavams out of the income from other sources.

4. Besides the interest of Rs. 150 above referred to, the temple is in receipt of Rs. 60 a year, being the rent of a house at Challakere kindly placed by the Government at the disposal of the managers of the temples for the *bona fide* purposes of the institution. (*Vide* Government Proceedings No. 761, dated 20th December 1898.) Petitioner Srinivasa Rao offers to make over to Government a stone mantap built in the temple premises, which will fetch at least a rent of Rs. 24 a year. Thus the estimated annual income of the temples amounts to Rs. 234.

5. The expenditure to be incurred is proposed to be revised as follows:—

(1) For the daily worship, etc., to be met from Rs. 150, interest on the invested sum of Rs. 3,000—

Rs.	a.	p.	
4	4	0	Pay of the archak of Sri Narayanswami and Lakshmidevi Ammanavaru, and cost of camphor for daily service.
4	4	0	Pay of the archak of Sri Mallikarjunaswami and Anjaneyaswami and the cost of camphor for daily service.
0	8	0	Mantrapushpa (two persons at 4 annas each).
0	8	0	Sweeper.
3	0	0	Nandadeepams (three in number at Re. 1 each as noted in the accompanying petition).
12	8	0	per mensem or
150	0	0	per annum.

(2) Auxiliary utsavams to be met from the house rent of Rs. 60—

Rs.	a.	p.	
15	0	0	Kalyanotsavam every year.
33	0	0	Annual emoluments to persons who render service in the temples throughout the year and other expenses as detailed below :—

Rs.	a.	p.	
2	0	0	Sarvadhikari shanbhog Subbarna.
2	0	0	Karbhari patel Bhaskarappa.
3	0	0	Acharyapurusha of the Narayanswami temple.
3	0	0	Do of Mallikarjunaswami temple.
2	8	0	Talawars who arrange for utsavams.
2	8	0	Mashalchis.
1	8	0	Drummers.
3	0	0	Temple sweeper whose monthly salary is trifling.
13	8	0	To meet the extra expenses caused by any fluctuation in price of the ¾ of a maund of oil necessary for the three lamps provided for in section (1) supra. Any surplus to be utilized for the purchase of cloth for the idols.
33	0	0	Total

12	0	0	Reserve fund.
60	0	0	Total.

(3) Special utsavams to be met from the annual rent of Rs. 24 from the mantap—

Rs.	a.	p.	
10	0	0	For Navaratri utsavams.
6	0	0	For Sivaratri utsavams.
6	0	0	For Brindavanotsavam.
22	0	0	
2	0	0	Reserve fund.
24	0	0	

6. Though the house-rent referred to above is not as sure a source of income as the interest on the above mentioned money deposit, I think that it may be considered for all practicable purposes an unfailing one; for, considering the difficulty of house accommodation in Challakere and the house in question being all along occupied by the Amildars of the Taluk, it is expected that the house will always yield rent as it now does. For the same reason it is easy always to find a taluk official as a tenant for the mantap also.

7. The temple in question being under the management of the Muzrai Department, it is the interest of Government to see that the institution is properly maintained and worship is duly conducted therein. The institution has lost the vigorous support of its enthusiastic founder Mr. Gundappa, who spared no pains and expense to keep up the worship in comparatively a grand style, because his representative is not capable of doing all his father used to do.

8. Considering all the circumstances of the case, and with a view to provide for the uninterrupted performance of the daily worship in the temples, I recommend that the re-adjustment of the monthly scale of establishment as detailed in para 5 may be sanctioned and that H. Government Proceedings (Geological) No. 176—S., dated 3rd September 1901, directing the Deputy Commissioner, Kolar District, to issue notices to the legal representatives of the late Mr. M. F. Lavelle, lessee of the Great Western Reefs Gold Mining Block, calling upon them to pay the arrears of assessment on the block or to show cause why the arrears should not be collected.

READ ALSO—

(1) Letter No. C. 1105, dated 21st February 1902, from the Deputy Commissioner, Kolar District, reporting that in accordance with the above Proceedings, demand notices were served on the executors to the estate of the late Mr. M. F. Lavelle and that no payment has been received, and requesting instructions in the matter.

(2) Letter No. 474—S., dated 18th March 1903, from the Secretary to Government, Geological Department, to Mr. H. Abraham, one of the executors to the estate of the late Mr. M. F. Lavelle, informing him that no payment has been made of the arrears of assessment due on the Great Western Reefs Block in compliance with the demand notice issued by the Deputy Commissioner of Kolar, and asking him to offer any explanation he may have as to why the arrears should not be collected and the lease forfeited at once for breach of the terms of the lease.

(3) The following letter, dated 19th March 1903, from Mr. H. Abraham, in reply to the above :—

"I have the honor to acknowledge receipt of your No. 474—S., dated the 18th instant, with reference to arrears of assessment on the Great Western Reefs Gold Mining Block leased to the late Mr. M. F. Lavelle on the 18th March 1886.

"I am lead to understand that the late Mr. M. F. Lavelle relinquished this block during his life-time. After Mr. Lavelle's death in 1895, the arrears of assessment due on all the other blocks were submitted by the Deputy Commissioner (almost immediately) they have all been adjusted and nothing whatever was said about this other block till the notice dated 20th November 1901 was received, on receipt of which Mr. George Lavelle, the sole legatee of this and other Mining blocks, called upon the late Dewan Sir Sheshadri Iyer, K.C.S I., and who informed him that he knew all about this land and he was aware that the late Mr. Lavelle had relinquished the block, and would see that orders were passed thereon and the matter rectified. General Beresford, a party interested in this block, has also had this matter referred to him and he states distinctly that the land was relinquished some time before Mr. Lavelle's death, and is surprised that a claim is now made."

No. 493-5—S., DATED BANGALORE, 31ST MARCH 1903.

ORDER THEREON.—The Government observe that there is nothing on record to show that the Great Western Reefs Block was relinquished either by the late Mr. M. F. Lavelle, during his life-time or subsequently by Mr. George Lavelle, the sole legatee of this and other mining blocks. They are however pleased to accept the statements made by Mr. H. Abraham in his letter of 19th March 1903, quoted above, and to direct that all arrears due on the block be written off the accounts and the block resumed to Government.

2. The amount due on the block, including the current year's demand, is reported by the Deputy Commissioner to be Rs. 10,988-4-5.
